

AHA Serum

Alpha Hydroxy acid serum was created to reduce the appearance of uneven skin tone, textures and fine lines and wrinkles. Powerful combination of Glycolic Acid, Lactic acid, peptides, Hyaluronic acid and fruit extracts for beautiful skin. Recommend using this product at night to wake up to fresh and brighter skin.

SP-AH

30 ml White Airless Bottle

Suggested Use: Apply to skin after cleansing. Let absorb for a moisturizing effect.

Suggested Precautions: For external use only. Avoid direct contact with eyes. Rinse with water if direct eye contact occurs. Do not use on broken skin. For adult use only. Keep out of reach of children. If swallowed, get medical help right away. Stop use and ask a doctor if rash or irritation develops and persists. Use sunscreen and avoid long term exposure to sun.

Sunburn Alert: This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use a sunscreen, wear protective clothing, and limit sun exposure while using this product and for a week afterwards.
