

Deep Hydrating Essential Aloe Cream *for women*

Dehydroepiandrosterone (DHEA) is a hormone that your body naturally produces in the adrenal gland. DHEA helps produce other hormones, including testosterone and estrogen. Natural DHEA levels peak in early adulthood and then slowly fall as you age.

These statements have not been evaluated by the food and drug administration. The product mentioned is not intended to diagnose, treat, cure, or prevent any disease. Always see your licensed health care professional for proper diagnosis and treatment.

SP-DHEA

50 ml White Mezzo Pump

Suggested Use: Apply ¼ tsp. cream into hairless areas such as abdomen, shoulders or underside of arms once or twice daily – morning and evening, preferable after bathing. Use 21 days on and 7 days off. Rotate areas of application to avoid saturation.

Cautions: For adult use only. Keep out of reach of children. Avoid direct contact with eyes. If contact occurs rinse thoroughly for 15 minutes with water. For external use only. If redness or irritation occurs, discontinue use. Store in a cool dry place, away from excessive heat and cold.

Ingredients: Deionized Water, SD Alcohol, Caprylic/Capric Triglyceride, Polyacrylamide, C 13-14 Isoparaffin, Laureth-7, Aloe Barbadensis Leaf Juice, Progesterone, DHEA, Phenoxyethanol, Caprylyl Glycol, Sorbic Acid, Pregnenolone, Tocopheryl Acetate, Chrysin | Contains both natural and synthetic ingredients.

Attention California Residents Only: This product contains chemical(s) known to the state of California to cause cancer and birth defects or other reproductive harm under Proposition 65.
