

Ultra Lift Night Cream

Restores suppleness and protects skin from environmental damage. Enhances the appearance of dry or damaged skin. May help to dramatically improve skin firmness.

SP-ULNT50

50 ml Airless Pump

Suggested Use: Apply to clean skin every evening.

Suggested Precautions: For external use only. Avoid direct contact with eyes. Rinse with water if direct eye contact occurs. Store in a cool dry place, away from excessive heat and cold.
